Career Objective

As a passionate Software Developer fresher, I aim to utilize my technical skills in Java, MySQL, and web development to contribute to a dynamic team. I am enthusiastic to work in a collaborative environment where I can learn from experienced developers, improve my problem-solving abilities, and contribute to creating efficient and innovative software solutions.

Education

Bachelor of Computer Application (BCA)
Siliguri College, North Bengal University
2022 – Present | SGPA: 8.17 (up to 4th semester)

Higher Secondary (WBCHSE)
Balurghat Lalit Mohan Addarsha Uchcha Vidyalaya
2022 | 91.80%

Secondary (WBBSE)
Balurghat Lalit Mohan Addarsha Uchcha Vidyalaya
2020 | 70.71%

Technical Skills

- **Programming Languages**: Java, C

- **Web Development**: HTML, CSS, JavaScript

- **Database**: MySQL

- **Tools**: Visual Studio Code

- **Concepts**: Object-Oriented Programming (OOP), Data Structures, Algorithms, JDBC

Projects

- **Hospital Management System (Java & MySQL)**
  Developed a fully functional hospital management system to manage patients, doctors, and appointments with login functionalities for admin.
- **Stone Paper Scissors (Java):** A fun console-based game that simulates the classic stone-paper-scissors game, allowing a user to play against the computer with randomized outcomes.
